

GIRL WHO KILLED MAN WHO REFUSED TO MARRY FACES FRIENDLY COURT

Spectators and Witnesses Show Sympathy for Seventeen-Year-Old Ida Riehl.

PHILADELPHIA, May 24.—The interest in the case of Ida Riehl, seventeen years old, who shot and killed

SIMPLE HOME TREATMENT FOR SWOLLEN VEINS

If you or any relative or friend is worried because of various "aids or bums," the best advice that any one in this world can give is to get a prescription that many physicians are now prescribing. Ask your druggist for an original two-ounce bottle of Emerald Oil (full strength) and apply night and morning to the swollen, enlarged veins. Soon you will notice that they are growing smaller, and the treatment should be continued until the veins are of normal size. Emerald Oil is a powerful, yet harmless, germicide, and results are guaranteed. Moore Chemical Co., Rochester, N. Y. Riker-Hageman Co. can supply you.—Advt.

GIRL FACING COURT CHARGED WITH MURDER OF HER SWEETHEART.

IDA RIEHL

her sweetheart, Edmond H. Hauptfuer, when he refused to marry her, drew a crowd of hundreds to the court room of Coroner Knight today, among whom none raised a voice against the girl.

Witnesses are eager to testify that the girl was always modest and well behaved and never was in the com-

pany of any other man than Hauptfuer. The Coroner said that he had been urged by many influential persons to let the girl go at the inquest, but felt that it was his duty to hold her for the Grand Jury.

John R. K. Scott will ask Judge Michael for a writ of habeas corpus for the release of Miss Riehl on bail. He will urge that the killing was not willful and premeditated. A prominent Philadelphia, he says, is ready to furnish bail up to \$100,000. There is an act awaiting the Governor's signature giving juries the right to say whether a person found guilty of murder shall be punished by death or life imprisonment. Should it become law, jurists say, it will remove any doubt of the right to grant bail for a person who has committed a crime for which death is not the certain penalty.

The case of Mrs. Ida Walters in New York, now awaiting trial for the murder of her two children and admitted to bail so that her child may be born outside of a prison cell, is cited as parallel to that of Miss Riehl.

MADE \$35; GAVE WIFE \$6.

Bowers Also Beat Her, and Now He Goes to the Island.

George Bowers of No. 423 Evergreen Avenue, Brooklyn, according to the story of his wife told to Magistrate Folwell in the Gates Avenue Court today, makes \$35 a week by managing weddings, receptions, etc. "But he's terribly rough at home," Judge Folwell said. "He isn't happy unless he beats me. He gives me only \$6 a week and I've had to do janitor work. I've had him arrested for beating me often, but his lawyer has always begged him off."

"Bowers," said the Magistrate, "I'd like to send you up for six years. I commit you to Blackwell's Island for four months."

GULFIGHT'S FLAG RECEIVED.

Held in Washington as Evidence of German Attack.

WASHINGTON, May 24.—A large American flag, its colors somewhat faded from exposure to sea weather—the ensign flown by the American steamer Gulfight when attacked by a German submarine—has arrived at the State Department.

It came by mail together with other evidence and testimony gathered in the investigation made by Ambassador Page and American Consulate in England at the time the Gulfight was towed into port. The flag has been spread on the wall in the division of Western European affairs of the State Department.
